

**AAYBA Days at Busch
Stadium
Order Form**

All AAYBA World Series Teams that purchased their tickets to the game directly from AAYBA will be allowed onto the field for a pre-game parade and festivities. Anyone associated with your team may purchase a ticket but only players and the coaching staff will be allowed on the field for the parade.

AAYBA will also “randomly” select six players and one coach to watch batting practice on the field just behind the batting cage. Three players will be “randomly” selected to throw out the games first pitch to one of the St Louis Cardinal players.

Teams that purchased their tickets from sources other than AAYBA will not be eligible to participate in the parade or be selected for the extra on-field activities.

Unlike years past, the Cardinals have only made a limited number of tickets available to us which will be sold on a “first come, first served” basis. To guarantee your teams participating please do not delay with your paid order.

**DEADLINE TO PURCHASE IS JUNE 26, 2010
